Dear Colleague:

This letter will serve to invite you to attend the 6th International Congress on Meningiomas and Cerebral Venous System at the John B. Hynes Memorial Convention Center in Boston, Massachusetts September 3 – 7, 2008.

The AANS is a scientific and educational association with over 6,500 members worldwide. The AANS is dedicated to advancing the specialty of neurological surgery in order to provide the highest quality of neurosurgical care to the public. The 2008 Meningioma Conference, jointly sponsored by the AANS, will present the latest technology, techniques and issues relevant in brain tumor research and therapy. You will be exposed to cutting-edge research and will have the opportunity to discuss cases and experiences with your peers.

During your stay in the United States, you will not be remunerated by AANS nor can you be engaged in any employment. You will be responsible for your own travel expenses that include airfare, ground transportation, hotel, meals and travel insurance. We understand that you may want to explore the Boston and/or the New England area or visit colleagues and friends before or after the meeting. Therefore, your travel to the United States will be approximately from August 30-September 13, 2008.

The 6th International Congress on Meningiomas and Cerebral Venous System promises to be an exceptional educational experience. We look forward to your participation.

Sincerely,

American Association of Neurological Surgeons

A handwritten signature in cursive script that reads "Patricia L. Anderson".
